# Historic evolution of Euro large value payments market volumes

\*Note: The ESCB has revised its collection and reporting methodology in January 2009 and in January 2013 to improve data quality. This should be considered when comparing data from before and after the implementation dates.

# Question to AMI-Pay on evolution of Euro large value payments volumes

<b>What overall evolution of Euro large value payments market settlement volumes do you expect <u>(in terms of average annual growth rate)</u>?</b>	<b>Optimistic scenario</b>	<b>Neutral scenario</b>	<b>Pessimistic scenario</b>
Between 2019 and 2021 ( <i>short-run</i> )	x%	y%	z%
Between 2022 and 2026 ( <i>medium-run</i> )	x%	y%	z%
As of 2027 ( <i>long-run</i> )	x%	y%	z%

Thank you!
